ORDER DENYING STIPULATION

8 The parties' *Second Stipulated Discovery Plan and Scheduling Order* (ECF No. 259)

9 ("Stipulation") is DENIED without prejudice.

10 The parties request almost 15 months for discovery. The matter is already over three years old,
11 and the parties do not show good cause or articulate any grounds why they believe such a lengthy
12 discovery is necessary. The parties also fail to provide any deadlines for amending the pleadings, adding
13 parties, or for expert disclosures. The parties simply state they were unable to agree to such deadlines,
14 without detailing their meet and confer efforts to agree on such deadlines. The parties further advise that
15 they may, at their discretion, provide such deadlines at some identified time in the future "as necessary."
16 That is not reasonable. LR 26-1 requires the parties to provide such deadlines. In sum, the parties have
17 not met their obligations under FRCP 26, LR IA 1-3(f), and LR 26-1.

18 Finally, the parties' Stipulation does not comply with LR IA 6-2, which provides that the
19 judicial "signature block must not begin on a separate page; it must appear approximately 1 inch below
20 the last typewritten matter on the right-hand side of the last page of the stipulation...." The parties shall
21 submit an amended stipulation addressing and complying with the foregoing by no later than **February
22 14, 2025.**"
